Brief Profile of the College

●Bhangar Mahavidyalaya is a Degree College for general higher education, situated in Bhangar I Block, Bhangar P. S., Baruipur Sub-Division under South 24 Parganas District, West Bengal. Excepting Sushilkar College (27 Kms.), Sonarpur Mahavidyalaya (30 Kms.) and Baruipur College (39 Kms.) in its South West, Barasat College (40 Kms.) and Derozio Memorial College (23 Kms.) in North-West, Basirhat College (52 Kms.) and Taki Govt. College (68 Kms.) in the North-East, Kalinagar College (80 Kms.) and Hazi Desaret Colledg (90 Kms.) in the South-East, Bankim Sardar College (50 Kms.) in the South, and Kolkata College (at 30 Kms.) in the West of the vast area was deprived of any institution of higher learning for a long time. Economic hardship and medieval communication link compelled the students belonging to ordinary and low middle class families to forsake prosecution of higher studies after passing out from School Leaving Examinations. Only the few hailing from the rich and the upper middle class families could afford to seek admission in Kolkata and other advanced neighbouring areas at premiums, leaving the rest under-privileged, especially the girls students, stranded in the middle. The establishment of Bhangar Mahavidyalaya somewhat succeeded in filling in the vacuum in the sense that the vast multitude of young learners now got the change to stake their academic Carers through this College in venturing either on foot or by cycle or by bus, trekker etc. In course of time the road network has intersected Bhangar between the science city (Kolkata) through the high profile kolkata Leather Complex and Basanti. Dhamakhali, Kanmari and Mahancha in the east, Champahati, Sonarpur and Baruipur in ther south-west, and Rajarhat New Town in the north.

●The College owes its existēce to a local Non-Government Organisation (Bhangar Unnayanee) where the leadership was provided by Abdur Rezzak Molla, the illustrious political personality of the area, for establishing a Degree College in Bhangar. The initiative ceremonially started in 1995 and the foundation stone was laid in 1996. The land was donated by the Irrigation Department, Government of West Bengal through Bhangar-I Panchayat Samity. While the South 24 Parganas Zilla Parishad and the local M. P. Shri Ajoy Chakraborti extended financial assistance to the tune of Rs. 21 Lakhs (Rupees twenty -one Lakhs), the overwhelming masses of the locality came forward in large numbers with whatever assets they might have had- be it money or materials or even free labour-in fulfilling the long-cherished dream of having a Degree College of their own on their soil.

●Thus Bhangar Mahavidyalaya saw the light of the day. The college got affiliated to the University of Calcutta to impart teaching in Arts (English, Bengali, History), Political Science, Education, Philosodphy, Social Science (Economics, Geography and Mathematics) and Commerce (Accountancy Group)- faculties of Under-Graduate Studies. The College has just completed the eighth year of its fruitful existence. While Honours teaching in Geography had already been introduced; w.e.f. the academic session 2001-2002, the same in Bengali was introduced w.e.f. the academic session 2002-2003, and Political Science (Honours) and History (Honours) where introduced in 2004-2005 and English (Honours) and Education (Hopours) in 2005-2006. Plans are afoot to extend Honours teaching facilities in some other subjects in the coming years. Special mention may be made about the academic environment of this locality whithin the monority (Muslim) and Scheduled Caste and Scheduled Tribe Communities. Bereft of any opportunity to undertake higher education till the establishment of this College, a large body of Muslim students (at least 35% of the total intake) had a fight with in and out to pave the way for social transformation, in venturing to take up this challenge in an area where an overwhelming majority of students from all sections have been engaged as the first generation entity in the domain of higher education.

The vision of the College is reflected through its 'Logo' that signifies the attainment of our stated goals whereby we aim at ensuring the spread of higher education with empowerment of students-male and female alike, creation of an academic ambience, improvement in the quality of the teaching learning-evaluation process with special emphasis on backward students. With a view to achieving these objects, our students, teachers and the non-teaching staff participate in the community-related programmes, over and above the academic pursuits of the students.

We are proud to mention here a new feather has recently been added to the cap of this College in the form of national recognition when the 'National Assessment & Accreditation Council (NAAC)' has evaluated the progress of this College so far and awarded B Grade (70-75%) level of distinction to this young College. This proves that the path of progress chosen by this College, if sustained and advanced with care and affection, can win many more laurels for this Institution in future.

The college has set up an IQAC cell (Internal Quality Assessment Cell) according to the NAAC guidelines. This cell has sent the annual IQAC report for 2006-07 and the report has been acknowledged by the council.
