Brief Profile of the College

NAAC Peer Team in College

NAAC Peer Team with the Teaching Staff

• Bhangar Mahavidyalaya is a Degree College of general higher education, situated in Bhangar I Block, Bhangar P. S., Baruipur Sub-Division under South 24 Parganas District, West Bengal. Excepting Sushilkar College (27 Kms.), Sonarpur Mahavidyalaya (30 Kms.) and Baruipur College (39 Kms.) in its South West, Barasat College (40 Kms.) and Derozio Memorial College (23 Kms.) in North-West, Basirhat College (52 Kms.) and Taki Govt. College (68 Kms.) in the North-East, Kalinagar College (80 Kms.) and Hazi Desarat College (90 Kms.) in the South-East, Bankim Sardar College (50 Kms.) in the South, and Kolkata College (at 30 Kms.) in the West there are Humayun Kabir Mahavidyalaya, Jibantala Rokeya Mahavidyalaya and there are no other Colleges. The vast area had been deprived of any institution of higher learning for a long time. Economic hardship and medieval communication link compelled the students belonging to ordinary and low middle class families to forsake prosecution of higher studies after passing from School Leaving Examinations. Only the few hailing from the rich and the upper middle class families could afford to seek admission in Kolkata and other advanced neighbouring areas at leaving the rest under-privileged, especially the girl students, stranded in the middle. The establishment of Bhangar Mahavidyalaya somewhat succeeded in filling in the vacuum in the sense that the vast multitude of young learners now got the chance to stake their academic careers through this College by venturing either on foot or by cycle or by bus, trekker etc. In course of time the road network has intersected Bhangar between the Science City (Kolkata) through the high profile Kolkata Leather Complex and Basanti, Dhamakhali, Kanmari and Malancha in the East, Champahati, Sonarpur and Baruipur in the South-West, and with Rajarhat New Town in the North.

• The College owes its existence to a local Non-Government Organisation (Bhangar Unnayanee) where the leadership was provided by Abdur Rezzak Molla, the illustrious political personality of the area, for establishing a Degree College in Bhangar. The initiative ceremonially started in 1995 and the foundation stone was laid in 1996. The land was donated by the Irrigation Department, Government of West Bengal through Bhangar-1 Panchayat Samity. While the South 24 Parganas Zilla Parishad and the local M. P. Shri Ajoy Chakraborti extended financial assistance to the tune of Rs. 21 Lakhs (Rupees Twenty One Lakhs), the overwhelming masses of the locality came forward in large numbers with whatever assets they might have had-be it money or materials or even free labour-in fulfilling the long-cherished dream of having a Degree College of their own on their soil.

• Thus Bhangar Mahavidyalaya saw the light of the day. The college got affiliated to the University of Calcutta to impart teaching in Arts {English, Bengali, History, Arabic, Political Science, Education, Philosophy, Sanskrit, Social Science (Economics, Geography and Mathematics) Physical Education and Commerce (Accountancy Group) - faculties of Under-Graduate Studies. The College has just completed the nineteen years of its fruitful existence. While Honours teaching in Geography had already been introduced, w.e.f. the academic session 2001 -2002, the same in Bengali was introduced w.e.f. the academic session 2002-2003, and Political Science (Honours) and History (Honours) were introduced in 2004-2005. and English (Honours) and Education (Honours) in 2005-2006 and Philosophy Hons in 2009 and Arabic from - 2015. Plans are afoot to extend Honours teaching facilities in some other subjects in the coming academic sessions. Special mention may be made about the academic environment of this locality within the Minority (Muslim) and Scheduled Castes and Scheduled Tribe Communities. Bereft of any opportunity to undertake higher education till the establishment of this College, a large body of Muslim students (at least 35% of the total intake) had a fight within and out to pave the way for social transformation, in venturing to take up this challenge in an area where an overwhelming majority of students from all sections have been engaged as the first generation entity in the domain of higher education.

The vision of the College is reflected through its 'Logo' that signifies the attainment of our stated goals whereby we aim at ensuring the spread of higher education with empowerment of students-male and female alike through creating of an academic ambience, improvement in the quality of the teaching learning-evaluation process with special emphasis on deprived students. With a view to achieving these objectives, our students, teachers as well as the non-teaching staff participate in community-related programmes, over and above the academic pursuits of the students.

We are proud to mention here a feather has been added to the cap of this College in the form of national recognition when the 'National Assessment & Accreditation Council (NAAC) had re-accredited the progress of this college so far and awarded 'B' Grade level of distinction to this young College in 2015. This proves that the path of progress chosen by this College, if sustained and advanced with care and affection, can win many more laurels for this Institution in future.

The NAAC peer team had visited the college on 27, 28, 29th April, 2015 for the 2nd cycle of NAAC re-accreditation. The college has an IQAC cell (Internal Quality Assessment Cell) that functions according to the guidelines of NAAC.

The College from this academic session begins its morning shift. The details will be put on the college notice board.

Science stream is to begin this academic Session subject to availability of permission from the University.

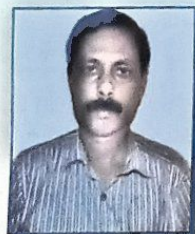

A new beginning is the introduction of Mass Communication and Journalism in the course for the Session is 2016-17.

Remedial Coaching

The College has successfully completed remedial coaching in 2013-2014 session for SC/ST and minority students. The coaching is aimed to help these students to fare better academically. Remedial classes are also conducted by the honours departments as and when required.

Entry-in-service coaching

We have successfully started Entry-in-service coaching which helps students in starting their career with good jobs in 2013-14.

Registration and Migration Certificate

Regular candidates are required to take initiative to obtain University Registration Certificate. Students who come from other Universities or Education Boards / Council are provisionally admitted on production of the migration certificate from such particular University / Board / Council. After provisional admission, they need to apply through the Principal within one month from the date of admission to the Calcutta University with the requisite fees for Migration certificate to get his / her admission confirmed. The college will not be responsible if the university does not sanction migration to such candidates and in such cases provisional admission may be cancelled.

Registration forms are required to be filled up after admission. The college will not be responsible for the registration of those students who fail to comply with the university rules.

Each of the 8 honours functional departments of the college has a smart classroom each. Further, there are 2 more smart classes. This advanced technology will make education more interesting for the students.

Library and Reading Room.

The college Library is now housed in an area of about 2800 sq feet.

The Library has grown leaps and bounds and there is a dedicated library website that operates also the OPAC system. So at the click of the mouse, now you know of the books available in the college Library. The website has the Questions Bank corner and the syllabus corner. So a student can avail the facility to download the syllabus of his / her subjects & the questions bank of a subject.

The Library has the N-list corner. There is also the Ask your 'Librarian Corner' - Put your suggestion and query about the library and the librarian will get back to the student.

The Library is now computerised. The library sub-committee looks after the proper functioning of the library.

Borrowers are responsible for the books issued to them for home facility. In case of any damage or loss of any books issued to them, it will have to be replaced at his / her expense.

Computer Centre

The institution realizes that in an age of information technology, it is necessary to match steps with this rapidly progressing world. The college has a Mou with the 'Youth Computer Centre. Through this centre, a certificate college for students is conducted. Students can enroll for the same at a nominal fee.

The library is largely computerised. The Departments of Geography and Commerce have computers at their disposal in the respective departments in keeping with tune of the demand of the syllabi of the mentioned subjects. There is a Language Lab, which is run to help students gain fluency in languages like English.

Non-teaching Staff

College Magazine

The college is committed to developing and providing an environment for all round development. The grey cells can let the wings of imagination fly with the college annual magazine **Shristi**. To further the creative zone that extends beyond the regular curriculum, there is also the college wall magazine **Padakshep**. The various departments too bring out wall magazines where flower the young writers :-

Bengali - Sahitya Darpan,
English - Fantasia and also

a language magazine - Lupin, Political Science - Milieu, History - Dishari, Education - Sopan, Geography - The Earth, Economics - Artha Vichitra, Philosophy - Darsayita.

The Department of Arabics too brings out its wall Magazine.

Laboratories

An well equipped **Geography Laboratory** with an area of 500 sq. ft. (Approx) exists in the college premises which is quite adequate and satisfactory that can accommodate all the needs of the students.

There is a **Language Laboratory** in the college that aims to improve the communication skills primarily in English and also in Bengali. Students can use the laboratory on the specified days and time.

Progress and marching ahead is the mantra of the college. Keeping in mind this vision, the institution has plans of opening up degree courses in the science stream:

- Computer Science (H/G)
- Physics (G)
- Maths (H)

Science stream will begin in this very academic year that is 2016-17. (Subject to permission from the Higher Education Council and the University)

Publications :
