## Brief Profile of the College

Sugata Basu M.P., Kaizer Ahamed Govt. Nominee,  
Dr. Birbikram Roy, Principal and Other Guest in Our College.

NAAC Peer Team in College

• Bhangar Mahavidyalaya is a Degree College of general higher education, situated in Bhangar I Block, Bhangar P. S., Baruipur Sub-Division under South 24 Parganas District, West Bengal. Excepting Sushilkar College (27 Kms), Sonarpur Mahavidyalaya (30 Kms.), and Baruipur College (39 Kms.) in its South West, Barasat College (40 Kms), and Derozio Memorial College (23 Kms.), in North-West, Basirhat College (52 Kms.) and Taki Govt. College (68 Kms.) in the North-East, Kalinagar College (80 Kms.) and Hazi Desarat College (90 Kms.) in the South-East, Bankim Sardar College (50 Kms.) in the South, and Kolkata College (at 30 Kms.), in the West there are Humayun Kabir Mahavidyalaya, Jibantala Rokeya Mahavidyalaya and there are no other Colleges. The vast area had been deprived of any institution of higher learning for a long time. Economic hardship and medieval communication link compelled the students belonging to ordinary and low middle class families to forsake pursuing of higher studies after passing School Leaving Examinations. Only the few hailing from the rich and the upper middle class families could afford to seek admission in Kolkata and other advanced neighbouring areas while the rest under-privileged, especially the girl students stood stranded in the middle. The establishment of Bhangar Mahavidyalaya somewhat succeeded in filling in the vacuum in the sense that the vast multitude of young learners now got the chance to stake their academic careers through this College by venturing either on foot or by cycle or by bus, trekker etc. In course of time' the road network has intersected Bhangar between the Science City (Kolkata) through the high profile Kolkata Leather Complex and Basanti, Dhamakhali, Kanmari and Malancha in the East, Champahati, Sonarpur and Baruipur in the South-West and with Rajarhat New Town in the North.

• The College owes its existence to a local Non-Government Organisation (Bhangar Unnayance) where the leadership was provided by Abdur Rezzak Molla, the illustrious political personality of the area, for establishing a Degree College in Bhangar. The initiative ceremonially started in 1995 and the foundation stone was laid in 1996. The land was donated by the Irrigation Department, Government of West Bengal through Bhangar-1 Panchayat Samity. While the South 24 Parganas Zilla Parishad and the local M. P. Shri Ajoy Chakraborti extended financial assistance to the tune of Rs. 21 Lakhs (Rupees Twenty One Lakhs), the overwhelming masses of the locality came forward in large numbers with whatever assets they might have had-be it money or materials or even free labour-in fulfilling the long-cherished dream of having a Degree College of their own on their soil.

• Thus Bhangar Mahavidyalaya saw the light of the day. The college got affiliated to the University of Calcutta imparting teaching in Arts {English, Bengali, History, Arabic, Political Science, Education, Philosophy, Sanskrit, Social Science Mass communication and Journalism (Economics, Geography and Mathematics) Science (Physics, Chemistry, Maths) Physical Education and Commerce (Accountancy Group) - faculties of Under-Graduate Studies. The College has just completed twenty years of its fruitful existence. While Honours teaching in Geography had already been introduced, w.e.f. the academic session 2001 -2002, the same in Bengali was introduced w.e.f. the academic session 2002-2003, and Political Science (Honours) and History (Honours) were introduced in 2004-2005. and English (Honours) and Education (Honours) in 2005-2006 while Philosophy Hons in 2009 and Arabic Hons. from -2015. Plans are afoot to extend Honours teaching facilities in some other subjects in the coming academic sessions. Special mention may be made about the academic environment of this college which in the Minority (Muslim) and Scheduled Castes and Scheduled Tribe Communities. Bereft of any opportunity to undertake higher education till the establishment of this College, a large body of Muslim students (at least 35% of the total intake) had a fight within and out to pave the way for social transformation; in venturing to take up this challenge in an area where an overwhelming majority of students from all sections have been engaged as the first generation entity in the domain of higher education has been fascinating so far.

The vision of the College is reflected through its 'Logo' that signifies the attainment of our stated goals whereby we aim at ensuring the spread of higher education with empowerment of students-male and female alike through creating an academic ambience, improvement in the quality of the teaching learning-evaluation process with special emphasis on deprived students. With a view to achieving these objectives, our students, teachers as well as the non-teaching staff participate in community-related programmes, over and above the academic pursuits of the students.

We are proud to mention here a feather has been added to the cap of this College in the form of national recognition when the 'National Assessment & Accreditation Council (NAAC) had re-accredited the progress of this college so far and awarded 'B' Grade level of distinction to this young College in 2015. This proves that the path of progress chosen by this College, if sustained and advanced with care and affection, can win many more laurels for this Institution in future.

The NAAC peer team had visited the college on 27, 28, 29th April, 2015 for the 2nd cycle of NAAC re-accreditation. The college has an IQAC cell (Internal Quality Assessment Cell) that functions according to the guidelines of NAAC.

The College began its morning shift in the academic year 2016-2017.

A new beginning was ensued with the introduction of courses in Mass Communication and Journalism, Physics and Chemistry in the academic session 2016-2017.
