2. The college was reopened on 06/11/2021 after a long gap due to Covid. But unfortunately enough from 25th December'2021, the day Winter recess starts from we had another gap of one & half month due to the same cause of Covid. Thus it was a matter of concern everywhere, to give a thought on some workable alternatives for the smooth running of Teaching-learning procedure & one of sensible solutions was that of blended mode-both offline & online as the circumstance demands. 3. It is resolved that all these Programmes will be held in accordance with scheduled dates and time.
4. It is resolved that all these courses need to be inculcated so as to combat with the steep competitive market, to apprise them about the journey of setting up business(start up & self employment) & also to encourage students to their originally & in innovative way. Communicative English classes to be started for interested students.
5. It is resolved that college will remain closed after some intervals to sanitize the entire building. It is also resolved that proper sanitization in the entrance is a must. Wearing mask should be kept mandatory for all. It is also resolved that some remedial classes should be incorporated especially for the weaker students.
